

# Fantastic News!!!!!!!!!!!!!! November 2007

Dear Parents,

An Ofsted inspection was sprung on us this week.....The outcome was.....

**OUTSTANDING IN TWO AREAS AND REALLY GOOD IN THE OTHER THREE!!!!!!**

I am absolutely ecstatic. We feel as a team that the hard work and dedication shown my staff has paid off tremendously and they all deserve this wonderful recognition.

Poor old Laura didn't know what hit her this week because she came in to start her first day with us and the inspector followed her!

In any case I just wanted to let you know the outcome and have also written some of the things she about us. The inspection report will be published in 2/3 weeks and available on the ofsted website.

What was said:

- 1) This is one of the nicest groups she has been in.
- 2) The leadership and organisation of the group was fantastic and all staff showed how well they worked together and were aware of each child's needs.
- 3) All children were busy and happy and all staff were quick to respond to the children's needs.
- 4) Staff were all consistent in carrying out our behaviour policy and this gives children a clear understanding of what is right and wrong.
- 5) The way we include special needs children (3 at present) and work together as a team to encourage them was fantastic. She particularly liked the way we all used makaton with all of the children to communicate at song time.
- 6) Our relationship with parents was very good and information was shared well.

There were so many other lovely things said and I can't remember everything but as soon as the reports published Ill get some copies out to you all. So I would like to say a big thank you to all staff ...

THANK YOU. XX Linda
